Dear Sir:-

At the suggestion of Mr. E. R. Hubbell, I am enclosing a card of application as an Associate member of the American Numismatic Society, together with a brief folder describing our activities. I am very glad to second Mr. Hubbell's invitation for you to ally yourself with our Society and as there is to be a meeting of our Council on September 16th, if I may hear from you before that date, your name can be presented at that time. If in the meantime I can be of any service, please feel free to call upon me.

Very sincerely yours,

Secretary
